PLAN MEETING . . . Discussing housing for out-of-town students at this weekend's conference of the state 2,000 Latin students are Sister Catherine Louise and Cathie Scott of Bishop Montgomery High School and Rob Wright of Mira Costa High School. Bishop Montgomery and Mira Costa are co-hosts for the Junior Classical League convention which will bring about 375 students to the area.

Montgomery Co-Hosts Latinists

Nearly 2,000 students, all members of the Junior Classical League, will converge on the area this weekend for a state-wide convention. Bishop Montgomery and Mira Costa high schools will be co-hosts for the meeting.

The two schools were selected because Rob Wright, the organization's president, claims Mira Costa for his alma mater. Cathie Scott, state vice president, is a student at Bishop Montgomery.

For Montgomery, co-hosting will be highlighted by an address made by Dr. Frank Sullivan, head of the English department at Loyola University. Montgomery, hoping to maintain "official" status in the state association next year, has nominated three students for office. They are Mary Schiller, a candidate for treasurer; Chris Hunt, trying to get elected historian, and Nikki Brajevich.

Principals Group Gets New Status

The Torrance Elementary School Principals Assn. has been recognized as an official employe group under policies established by the Board of Education.

Approval of the new association was granted by the trustees at their meeting Monday evening.

New officers of the organization, which is composed of all elementary principals and vice principals in Torrance are: Dr. Richard K. Welte, president; Robert D. Allen, first vice president; William B. Forrest, second vice president; John S. McGee, treasurer; and Donald R. Credell, secretary.

Candidates Take Academy Exams

Approximately 100 candidates for admission to the US Military Academy, West Point, will be undergoing academic, medical and physical aptitude examinations today, tomorrow and Saturday at Fort MacArthur, San Pedro, to determine their qualifications to enter the academy in July 1964.

The local examinations are being conducted by a board of officers, of which Lt. Col. J. H. Agee, transportation officer, is president, having been appointed by Col. Harper B. Cowles, Ft. MacArthur commander.
